ABOUT KANGAN INSTITUTE

There are many reasons why your automotive career should start with Kangan Institute at the Automotive Centre of Excellence (ACE). Designed to be collaborative, accessible, innovative and competitive, Kangan Institute's Automotive Centre of Excellence (ACE) was established to bring together customised, hands-on automotive training, research and development in one precinct.

ACE is an essential element of the strategic direction, partnering with industry leaders to provide students with access to world-class training facilities, technology and teaching staff. Centrally located in the heart of Melbourne's Docklands precinct, ACE is easily accessible by public transport. ACE is committed to continually developing learning opportunities and reflecting the ever changing demands of the competitive Automotive industry. ACE breaks new ground in automotive training and is poised to continue revolutionising the industry for years to come.

OUR COURSES

Our courses provide students with the knowledge and skills in the field of light vehicle mechanics.

Students will learn in varying environments from lectures, practical demonstrations and tasks through to servicing vehicles in both simulated automotive work bays and in work placement.

The course aims to provide graduates with not only the skills and knowledge in light vehicle mechanics but will also equip you to enter employment in a senior supervisory, or managerial role within the automotive industry.

TESTIMONIALS

EVAN MICHAEL LIPE
USA
AUTOMOTIVE STUDENT

“The courses were recommended to me by a friend. It's been a really good experience to come here and study, I've made a lot of good friends in my classes.

YUJIN JANG
KOREA
AUTOMOTIVE STUDENT

“Thanks to the trainer's and my class mate's help I could feel comfortable since I joined Kangan Institute. I have a business background so I am trying to find a connecting point and at the same time as I am a female mechanic I wanted to educate the female drivers through their vehicles because a lot of female drivers don't know how to fix their car. My advise to international students is don't hesitate, trust your self and just do it.

DAVE SALMERON
AUTOMOTIVE TEACHER

“I have been teaching for 11 years, 2 years at Kangan Institute and it is a privilege to teach international students. At Kangan Institute we teach current industry practices so students are job-ready.

JOSEPH ROGER JONATHAN THOMPSON
MAURITIUS
AUTOMOTIVE STUDENT

“Here at Kangan Institute we have support to help you search for work placement so that we could get experience. I am working for Good Year to be a better mechanic.

OUR INDUSTRY CONNECTIONS
