## ARUNSIWAKUL KITTIKARN (FANG)

THAILAND, ELICOS

**“** I'm far away from my home for the first time so I think that my knowledge can improve. I needed to start the basics of English with native speakers, like many teachers, and I have many friends that come from other cities and other countries so I've gained a lot of experience. I know a lot of accents and I've learnt a lot of vocabulary.

It's very, very interesting and exciting so I love to be at Kangan Institute. It has a lot of wonderful things. Teachers teach very, very well and focus on writing, focus on grammar. Ok, I've learnt grammar before, but when I study here I improve my grammar a lot. So that's why I love Kangan Institute.
